```

44. Cantina for Star Wars (1977). Mos Eisley made its first ↵  
 45. appearance in the original 1977 film, Star Wars. It is ↵  
 46. depicted as a busy, bustling port city situated in a desert ↵  
 47. plain, populated with transients of all species. The lawless ↵  
 48. spaceport attracts criminals, smugglers and fugitives.Spacecraft ↵  
 49. land at docking bays dotted across the city. The Mos Eisley ↵  
 50. scenes occur early in Star Wars, when the young hero Luke ↵  
 51. Skywalker and his mentor Obi-Wan Kenobi travel to the spaceport ↵  
 52. in Luke's landspeeder in search of a pilot, accompanied by the ↵  
 53. droids, C-3PO and R2-D2. Obi-Wan warns Luke that the spaceport ↵  
 54. may be dangerous. Upon arrival, Luke and Obi-Wan enter the cantina, ↵  
 55. a dimly-lit tavern patronised by visiting starship pilots. ↵  
 56. Strong drink is on sale at the bar and there are frequent ↵  
 57. outbreaks of violence among the clientele. The cantina attracts ↵  
 58. a range of exotic alien species, although droids are not permitted ↵  
 59. to enter; the bartender orders them to leave, saying "We don't serve ↵  
 60. their kind in here". A band of domed-headed aliens plays a set of ↵  
 61. otherworldly jazz-style music.[3][4] Luke is threatened with violence ↵  
 62. by two of the customers, Ponda Baba, an Aqualish, and Doctor Evazan, ↵  
 63. a deformed human, but Obi-Wan intervenes with his lightsaber, cutting ↵  
 64. Ponda's arm off in the fight. This is the first time a lightsaber is ↵  
 65. used in combat on-screen in the Star Wars franchise. Obi-Wan introduces ↵  
 66. Luke to a pair of smugglers, Chewbacca and Han Solo, and they negotiate ↵  
 67. terms for passage to the planet Alderaan, which prompts Luke to sell his ↵  
 68. landspeeder to get the money they need to pay Han. After Luke and Obi-Wan ↵  
 69. have departed, Han is involved in a brief confrontation with Greedo, a ↵  
 70. green-skinned gangster; the exchange ends violently when Han shoots ↵  
 71. first and Greedo dies. As the group prepare to leave, they are followed ↵  
 72. to Docking Bay 94 by Garindan, a spy working for the Empire. Following a ↵  
 73. brief gunfight with Imperial stormtroopers, they board the Millennium Falcon ↵  
 74. spaceship and take off from Tatooine.↵  
 75. </p>↵  
 76. <p>↵  
 77. <b>Books</b>↵  
 78. In the novelization of the film, Star Wars: From the Adventures of Luke Skywalker  
 ↵  
 79. by George Lucas (ghostwritten by Alan Dean Foster), Mos Eisley is described as a  
 ↵  
 80. haphazard, run-down settlement built of concrete and sandstone, a large part of  
 it ↵  
 81. built underground to escape the heat of Tatooine's twin suns.[7] The cantina is ↵  
 82. described as a dark, sinister bar full of "one-eyed creatures and thousand-eyed,  
 ↵  
 83. creatures with scales, creatures with fur". The narrative describes "Tentacles, ↵  
 84. claws and hands... wrapped around drinking utensils". The Expanded Universe  
 anthology ↵  
 85. of intertwined short stories, Tales from the Mos Eisley Cantina, edited by Kevin  
 J. ↵

86. Anderson, explores the cantina and its clientele further. The book names the  
 87. establishment ↵ as "Chalmun's Cantina", introducing its proprietor as a Wookiee named Chalmun; it  
 88. also ↵ reveals that the bartender is named Wuher. The book also explores the reasons for  
 89. the ↵ cantina's ban on droids: the bartender claims to dislike everyone, but lashes out  
 90. at ↵ droids because they are the only thing that will not try to fight back; the  
 91. proprietor ↵ Chalmun does not tolerate droids because they do not drink, and therefore occupy  
 92. valuable ↵ space. The backstory of the cantina's resident swing band is also expanded in the  
 93. short stories ↵ "We Don't Do Weddings: The Band's Tale" by Kathy Tyers and "Empire Blues" by  
 94. Daniel Keys Moran. ↵ The band is named as Figrin D'an and the Modal Nodes and it is revealed that the  
 95. players belong ↵ to a race called Bith. Their main musical number is also given a title, "Mad  
 96. About Me".↵  
 97. </p>↵  
 98. <p>↵  
 99. <b>Television-</b>↵  
 100. Mos Eisley appears in the 2019 Star Wars television series, The Mandalorian. In  
 101. "Chapter 5: ↵ The Gunslinger", the Mandalorian is forced to set down in Mos Eisley for repairs  
 102. after a space ↵ battle with another bounty hunter. In order to pay for the repairs, the  
 103. Mandalorian goes to a ↵ local cantina to look for a bounty. There, he meets a rookie bounty hunter, Toro  
 104. Calican, who ↵ hires him to help locate Fennec Shand, a dangerous mercenary. The pair locate  
 105. Shand just beyond ↵ the Dune Sea and apprehend her. However, when the Mandalorian goes to retrieve  
 106. transport for them, ↵ Shand tries to turn Calican against him by telling Calican about the Mandalorian  
 107. turning against the ↵ bounty hunter guild to rescue the child. Calican kills Shand and decides to  
 108. capture the Mandalorian ↵ and the child and collect all three bounties. The Mandalorian, however, is able  
 109. to overcome Calican ↵ and rescue the child and Peli, a mechanic that was repairing his ship and  
 110. watching the child. ↵ The Mandalorian gives Peli the reward for Shand as payment for the repairs and he  
 111. and the child depart ↵ Tatooine.↵  
 112. </p>↵
